**W**hen my clients ask me to help them generate *Outrageous Abundance* in their lives, they want me to list *all* the work they need to do in order to *achieve* it. But that's **not** the way abundance works!

**“However you *choose* to see yourself, that is the *SELF* you will always *create*.”**

Creating *Outrageous Abundance* begins with YOU creating an abundance *mindset*. In other words, however you choose to *see* yourself, that is the *self* that you will create.

Your *mindset* will always be the key *determining* factor of how fast you achieve all that you want in life.

As Thomas Edison said “*I’ve never failed at anything. I’ve successfully found 10,000 ways things DON’T work!*” His mindset around failure allowed him to live life **courageously**.

# 3 SIMPLE STEPS TO ACHIEVING OUTRAGEOUS ABUNDANCE

## STEP 1: START YOUR DAY IN OUTRAGEOUS ABUNDANCE.

Before you get out of bed in the morning, ask, “*What is the greatest version of myself I can BE today?*” Imagine how you will step up to the challenges you face throughout the day. Will you be bold and resolute or will you give into hesitation and discouragement?

Then, write down the 4 most **discouraging** thoughts that tend to pop up for you. Perhaps you have thoughts like “I can’t”, “It’s too hard”, or “I’m not good enough.” Remain **conscious** of when those thoughts happen to you. You’ll be **amazed** to see how often you’ve been discourage yourself. When that happens, **gently** remind yourself, “No, this isn’t true.”

**“Being *gentle* with yourself when negative *thoughts* happen is your key to massive *transformation.*”**

Next, write down the 4 **reactions** you tend to have to difficult situations. When you feel frustrated do you tend to complain, blame, or make excuses? These are **unconscious** victim reactions. These reactions may be so automatic, you don’t even **realize** how disempowering they are. It’s time to put the brakes on all your negative tendencies.

## 3 SIMPLE STEPS TO ACHIEVING OUTRAGEOUS ABUNDANCE

Look at your lists and ask yourself, “What **new** thoughts do I want to **reprogram** into my mind?” Consider them. Think those new thoughts over and over again. Decide what kinds of new **thinking** you will embrace. **Visualize** yourself in these new ways of being. Keep going until you feel **powerful** and motivated throughout your body.

Soon, you’re going to start thinking and **acting** in those new ways. Watch as all of a sudden new doors start **opening** for you that you may have never imagined possible.

*“Gratitude* **is the ultimate state**  
**of being** *open* **to receiving**  
**outrageous** *abundance!*”

### STEP 2: LOCK IT IN WITH GRATITUDE!

Throughout your day, give thanks and **gratitude** for all that you *currently* have in your life. Your **health**, your home, your friends, all the good people who surround you, etc. Recognize that you are **currently** living a life that many *others* in the world may consider to be the pinnacle of **success**.

## 3 SIMPLE STEPS TO ACHIEVING OUTRAGEOUS ABUNDANCE

Now, give **thanks** for all the abundance you WILL be **soon** receiving. See and *visualize* it in your life. What does it look like? Are you and your family on a gorgeous *vacation*? Are you living in a **joyful** home filled with children? Are you writing large checks to **charitable** causes? However you define **outrageous abundance**, see it happening very soon. Don't let your mind get caught up in the *how and why* of it. Fill your body with the joyful feelings of living into this new **abundant** life.

**“Don't let your *mind* get caught up in the *how* and why of it. See you abundance happening *NOW!*”**

### STEP 3: DO THE 5 MINUTE MINDSET WORKOUT.

Set a daily alarm to take just **five minutes** to *meditate* on abundance. Close your eyes and open your **awareness** to all that you are creating in your life. Pay attention to the *thoughts* and feelings you generate as you do. Become more and more *aware* of how your **thinking** responds. You will find that your internal resistance will **drop**. At the same time, the feelings of **excitement** around *outrageous abundance* will take over!
